

Wealdstone Youth FC Operational Risk Assessment COVID19 Impacts

Document Owner: Kieran Quinn
Date: 25th July 2020

Operational Risk Assessment

1. Introduction

The COVID 19 virus has brought changes to our football club and the way in which we operate. The following provides an understanding of the measures taken to mitigate the impact and deliver the necessary resilience to Wealdstone Youth FC. The measures relate to various aspects of our football club, including people movement, hygiene and the practices of our members not limited to managers, parents and children . This risk assessment should be implemented alongside and in conjunction with the Wealdstone Youth FC COVID19 plan and other guidance stipulated by the Government, PH England and the FA / MFA.

2. Why we need the plan

The below provides a consistent approach to the assessment of risk we face, however, large, small or complex. It provides focus on some of the high risk areas, where the transfer of COVID 19 is most likely. The guidance links below should be considered when assessing the risk and establishing this Operational Risk Assessment.

http://www.thefa.com/news/2020/jul/17/grassroots-guidance-for-competitive-football-restart-in-england-170720?utm_medium=organic&utm_source=google&utm_campaign=posts&utm_content=grassroots-guidance-for-competitive-football-restart-in-england-170720-announcement

3. Context and status

This section of the Operational Risk Assessment should provide description of status, which will help provide context in the establishment of containment protocols and mitigation/control measures.

4. Activities - assessment of risk and mitigation

Wealdstone Youth FC & Managers must assess the risk and mitigation/control measures required for the return of training and competitive matches. This assessment should consider COVID19 Procedures induction, Self-Isolation, Someone falling Ill, Traveling to and from training, Access and Egress, Hand washing and sanitising, Toilet facilities, Eating and drinking arrangements, Changing facilities, General Principles,

meetings and Cleaning. The mitigation/control measures should identify vulnerable areas and activities where people meet and gather and implement additional measures to reduce/eliminate and distance people and regular groups of individuals.

Wealdstone Youth FC - COVID19 Risk Assessment					
Risk Area	Risk Activity	Mitigation/ Control Measure	Risk Owner(s)	Support by Others	Other Comments
Travel to / from Training / Matches By Car	Contact with others and contact with contaminated surfaces including third parties	<p>Teams to be assigned different start and finish times (i.e. staggered)</p> <p>Maintain / monitor 2m social distancing when queuing in and out of the entrance / exit</p> <p>Provide hand sanitiser at entrance and exit</p> <p>compliance with social distancing</p> <p>Use good hygiene procedures</p> <p>Parents and players travelling with persons not in their bubble or household should wear</p>	<p>WYFC Exec</p> <p>Managers</p> <p>Parents</p> <p>Players</p>	All Club Members	<p>Number of teams to be limited to a set time and space available, stagger teams.</p> <p>Rota basis to be set up for teams to train / play matches</p> <p>WYFC Exec to monitor compliance</p>

		masks and open windows etc..			
Access & Egress via public transport	<p>Contact with staff and passengers etc...</p> <p>Contact with contaminated surfaces</p>	<p>Follow direct and easiest route to training</p> <p>Where possible minimise the time spent transiting via public transport</p> <p>If possible use bicycle or similar or walk</p> <p>Teams to be assigned different start and finish times (i.e. staggered)</p> <p>Maintain / monitor 2m social distancing when queuing at entrance and exit</p> <p>compliance with social distancing</p> <p>Use good hygiene procedures and sanitise regularly</p> <p>Where possible along the route in designated places WYFC to introduce hand sanitizers</p>	<p>WYFC Exec</p> <p>Managers</p> <p>Parents</p> <p>Players</p>	All Club Members	<p>Number of teams to be limited to a set time and space available, stagger teams.</p> <p>Rota basis to be set up for teams to train</p> <p>WYFC Exec to monitor compliance</p>

<p>Car Parking</p>	<p>Contact with others and contact with contaminated surfaces including third parties</p>	<p>Teams to be assigned different start and finish times (i.e. staggered)</p> <p>Maintain / monitor 2m social distancing when queuing</p> <p>compliance with social distancing</p> <p>Good Hygiene measures</p> <p>Parking for managers & coaches only</p>	<p>WYFC Exec Managers</p>	<p>All Club Members</p>	<p>Number of teams to be limited to a set time and space available, stagger teams.</p> <p>Rota basis to be set up for teams to train</p> <p>WYFC Exec to monitor compliance</p>
<p>Site Entrance</p>	<p>Use of common site access points</p> <p>Contact with others and contaminated surfaces</p>	<p>Stagger start / finish times for teams</p> <p>Placement of hand sanitisers inside and out of site access points</p> <p>Display COVID-19 / hygiene information</p> <p>Maintain / monitor 2m social distancing</p> <p>Create green routes</p> <p>Set-up one-way green routes</p>	<p>WYFC Club Exec Managers</p>	<p>All Club Members</p>	<p>WYFC Exec to monitor compliance</p>

<p>Parents Congregating in the Car Park after dropping children off</p>	<p>Contact with others who may be COVID19 infected</p>	<p>Teams to be assigned different start and finish times (i.e. staggered)</p> <p>Parents to drop children off only, without exiting the cars and leave immediately and return later to pick them up</p> <p>Maintain / monitor 2m social distancing when queuing / interacting</p> <p>compliance with social distancing</p> <p>Good Hygiene measures</p>	<p>Managers</p> <p>Parents</p> <p>Players</p>	<p>All Club Members</p>	<p>Number of teams to be limited to a set time and space available, stagger teams.</p> <p>Rota basis to be set up for teams to train</p> <p>WYFC Exec to monitor compliance</p> <p>Parents that remain for matches need to socially distance and not have groups of more than 6.</p>
